Dear Sir:-

My dear Mr. Drowne:

Thank you very much for calling the matter  
of the Numismatic to my attention. It was exceedingly  
careless of me to overlook sending you a cheque before.  
I have, however, to-day mailed a cheque in accordance  
with your suggestion to the Treasurer of the Society,  
156th Street and Broadway.

I am sorry to learn you have been ill and  
trust that by this time you may be in better health.

Again thanking you for your kindness,

I remain,

Sincerely yours,

Dear Sir:-

If you are planning to be in New York some day next week, may I call on you? I have been having some correspondence with Mr. Henry R. Browne, one of our Governors, and he has been unable to give me information which he thinks you can supply. If it would be equally convenient for you, we should gladly welcome you at the Society on any day that you will specify.

Yours very truly,

Secretary.

and in answer to which I beg to state that I expect to be  
at 30 Broad Street, every day between the hours of 9.30

Mr. Harold C. Fryer,  
30 Broad Street,  
New York.

Dear Mr. Fryer:-

I had a talk with Mr. Flandreux yesterday afternoon, and learned that the collection given by your father to the Huguenot Society is not on exhibition, but stored in the bank there. Mr. Flandreux offered to present the suggestion that the Huguenot Society loan the collection to us for study and exhibition until such time as they care to exhibit it, and suggested that we formulate this in writing. I shall now take the matter up with our Board.

In our conversation Mr. Flandreux stated that some of the books from your father's library did not come to the Huguenot Society, but he was of the opinion that these did not include any numismatic works. If these books are still in the possession of your family, do you suppose that they would be willing to present them to our library as a memorial to your father? If so, will you at your convenience make the suggestion to them? From what we know of Mr. Fryer's collection, he must have possessed a very considerable numismatic library, and if these are not being used elsewhere, it would certainly form a very suitable memorial in the library of the Society of which he was an honored member.

Yours very sincerely,

Secretary.

Dear Sir:

I beg to acknowledge receipt of your favor of the 12th instant in regard to books belonging to my father that are not in the possession of the Huguenot Society of New Rochelle, and would state that none of these include any books on numismatic matters. As far as I know my father had no extensive collection of numismatic literature and whatever he had relating to that subject is now in the possession of the Huguenot Society.

Very truly yours,

*Harold C. Poyer*
